

*Institutional Research***SPRING ENROLLMENT*****1995-1996 Academic Year, Issue 1***

The Office of Institutional Research has recently completed research on students enrolled for the Spring 1996 semester at the Daytona Beach and Prescott campuses. Overall figures for unduplicated headcount (each student counted once, regardless if they are currently enrolled in both an undergraduate and graduate program) have been calculated and are presented in this fact sheet. Demographic and academic information were compiled for the overall group of 4925 undergraduate and 230 graduate students. Enrollments for graduate students (Daytona Beach only) showed a decrease of 1.7% from Spring 1995, while undergraduate enrollments from Daytona Beach and Prescott decreased by .5% and 1.7%, respectively. (Note: All Embry-Riddle Language Institute (ERLI) students have been EXCLUDED from Spring 1996 enrollment figures. Spring 1995 enrollment figures (used for increase/decrease percentages) were adjusted to also reflect exclusion of ERLI students.)

The table below depicts the undergraduate students for Daytona Beach (3650) and Prescott (1275) campuses enrolled for the Spring 1996 semester. Students who are enrolled for at least 12 credit hours are classified as full-time (F/T) and those who are enrolled for less than 12 credit hours are classified as part-time (P/T). The full-time equivalent (FTE) is calculated as the total number of full-time students plus the total number of credit hours taken by part-time students divided by 12. This calculation is represented as follows:

$$\text{UNDERGRADUATE FTE} = \# \text{ of full-time students} + \frac{\# \text{ credit hours of part-time}}{12}$$

230 graduate students were enrolled for the Spring 1996 semester at Daytona Beach. Of the 230, 38 are new matriculants into the graduate program for this term. Students who are enrolled for at least 9 credit hours are classified as full-time (F/T) and those who are enrolled for less than 9 credit hours are classified as part-time (P/T). The full-time equivalent (FTE) is calculated as the total number of full-time students plus the total number of credit hours taken by part-time students divided by 9. This calculation is represented as follows:

$$\text{GRADUATE FTE} = \# \text{ of full-time students} + \frac{\# \text{ credit hours of part-time}}{9}$$

TOTAL	230	118	112	176	57	173	3.51	7.1	28.3

Of the 4925 undergraduates, 259 are new matriculants this ^{spring} fall representing an increase of 10.9% for Daytona Beach and a decrease of 28.2% for Prescott from Spring 1995. Not included in the new matriculant tables below are 7 readmitted Embry-Riddle students to the Daytona Beach campus and 9 readmitted students to the Prescott campus. If the readmitted students were included, new matriculants would increase 2.9% for Daytona Beach and decrease 16.7% for Prescott from Spring 1995. The remaining tables display these new matriculants by admission status, gender & ethnicity, and major. (note: The FTE is calculated using the undergraduate FTE formula.)
