*Institutional Research***SPRING ENROLLMENT*****1993-1994 Academic Year, Issue 3***

The Office of Institutional Research has recently completed research on students enrolled for the Spring 1994 semester at the Daytona Beach and Prescott campuses. Overall figures for unduplicated headcount (each student counted once, regardless if they are currently enrolled in both an undergraduate and graduate program) have been calculated and are presented in this fact sheet. Demographic and academic information were compiled for the overall group of 5191 undergraduate and 197 graduate students. While enrollment for graduate students (Daytona Beach only) showed an increase of 4.8% from Spring 1993, undergraduate enrollment for Prescott remained the same, and undergraduate enrollment for Daytona Beach decreased by 5.7%.

The table below depicts the undergraduate students for Daytona Beach (3839) and Prescott (1352) campuses enrolled for the Spring 1994 semester. Students who are enrolled for at least 12 credit hours are classified as full-time (F/T) and those who are enrolled for less than 12 credit hours are classified as part-time (P/T). The full-time equivalent (FTE) is calculated as the total number of full-time students plus the total number of credit hours taken by part-time students divided by 12. This calculation is represented as follows:

$$\text{UNDERGRADUATE FTE} = \frac{\# \text{ of full-time students} + \frac{\# \text{ credit hours of part-time}}{12}}{12}$$

197 graduate students were enrolled for the Spring 1994 semester at Daytona Beach. Students who are enrolled for at least 9 credit hours are classified as full-time (F/T) and those who are enrolled for less than 9 credit hours are classified as part-time (P/T). The full-time equivalent (FTE) is calculated as the total number of full-time students plus the total number of credit hours taken by part-time students divided by 9. This calculation is represented as follows:

$$\text{GRADUATE FTE} = \# \text{ of full-time students} + \frac{\# \text{ credit hours of part-time}}{9}$$

Of the 5191 undergraduates, 296 are new matriculants this spring representing a 12.3% decrease for Daytona Beach and a 31.6% increase for Prescott. The remaining tables display these new matriculants by admission status, gender & ethnicity, and major. (note: The FTE is calculated using the undergraduate FTE formula.)
