

1993-1994 Academic Year, Issue 10

The Office of Institutional Research has recently completed research on students enrolled for the Summer B 1994 semester at the Daytona Beach and Prescott campuses. Overall figures for unduplicated headcount (each student counted once, regardless if they are currently enrolled in both an undergraduate and graduate program) have been calculated and are presented in this fact sheet. Demographic and academic information were compiled for the overall group of 1383 undergraduate and 76 graduate students.

The table below depicts the undergraduate students for Daytona Beach (1089) and Prescott (294) campuses enrolled for the Summer B 1994 semester. Students who are enrolled for at least 6 credit hours are classified as full-time (F/T) and those who are enrolled for less than 6 credit hours are classified as part-time (P/T). The full-time equivalent (FTE) is calculated as the total number of full-time students plus the total number of credit hours taken by part-time students divided by 6. This calculation is represented as follows:

$$\text{UNDERGRADUATE FTE} = \# \text{ of full-time students} + \frac{\# \text{ credit hours of part-time}}{6}$$

**Some SAT/ACT information unavailable (Summer terms only)

76 graduate students were enrolled for the Summer B 1994 semester at Daytona Beach. Students who are enrolled for at least 6 credit hours are classified as full-time (F/T) and those who are enrolled for less than 6 credit hours are classified as part-time (P/T). The full-time equivalent (FTE) is calculated as the total number of full-time students plus the total number of credit hours taken by part-time students divided by 6. This calculation is represented as follows:

$$\text{GRADUATE FTE} = \# \text{ of full-time students} + \frac{\# \text{ credit hours of part-time}}{6}$$
